Amended Certification Regarding Eligibility
To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. § 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on May 2, 2014, applicable to workers of Southern California Edison, a subsidiary of Edison International, IT Department, Irwindale, California (TA-W-83,309), Southern California Edison, a subsidiary of Edison International, IT Department, at the locations identified above. The Department's Notice of Determination was published in the Federal Register on May 21, 2014 (Volume 79 FR 29214).

At the request of a company official of @Business, Inc., the Department reviewed the certification for workers of the subject firm. The workers were engaged in activities related to the supply of information technology services.

The company reports that workers leased from @Business, Inc. were employed on-site at Southern California Edison, a subsidiary
